The meeting closed at 7.32pm

# PRESIDENTS REPORT

WHAT a season of cricket we had. It is hard to imagine that the end to last season and the start of this season would have so many variables to take into account with the pandemic.

I stepped into the presidency role after the AGM after Craig White announced he wouldn't be seeking re-election. I came on board to ensure that the club wasn't stuck with uncertainty in the executives roles during the COVID-19 restrictions and how that was going to impact our club.

When I started my main goals for this season were:

- to ensure that the club was a leader in how we addressed COVID-19 and our requirements from Cricket Victoria;
- Make the process of playing cricket as easy and as safe as possible for our players;
- Field three senior grades of cricket again and three grades of juniors, and;
- Come out at the end of 2020/21 with the club still in a good financial position.

Fortunately, through the hard work of many, these goals were achieved and exceeded. Our players were fantastic in adopting what the club laid out as a return to play and the committee delivered everything we set out to do.

Through the efforts of Mel White and others we were able to keep many of our current sponsors which ensured that not only did we meet our budget but we exceeded it at seasons end which is no small feat with our limited social events before Christmas.

The club has managed to turn a profit in a year where our operations in terms of running a bar, meals and social events were limited and our main grade of cricket played every single match away from our home ground. To do this off the back of what the club was doing a few years ago when financially we were in disarray is a full credit to all on the current executive and committee.

Onto the on-field side of things and it was fantastic to see the club field six grades again with Premier A Grade, B Grade, Premier C Grade, Under 16s, 14s, and 12s.

It has been a great move by the club to push to reintroduce the C Grade side and after winning the premiership last season many players backed up again and saw the side through to the semi-finals in the Premier C Grade competition.

A few personal highlights from my point of view for season 2021:

- Fielding three senior grades for every match;
- Coming together as a club to take on the new COVID world;

## PRESIDENTS REPORT

- C Grades continual success with fresh faces coming to the club to play cricket;
- The father-son mix we had for many matches in C Grade;
- Under 16s making the grand final and C Grade making the semi final;
- Playing net upgrade to come;
- Durks' newsletters - always filled with information and surprises;
- Some big A Grade playing milestones, and;
- A Grades efforts stepping up into Premier A Grade and continuing to front up every week away from home.

On that note I want to make a quick special mention to our travelling supporters: Jezza (Billy senior) Holdsworth for getting along most weeks to watch the A Grade. Unfortunately we served up some pretty average displays but all our supporters who travel to watch always give the players a kick - even if Jezza leaves straight after Rhys gets out some weeks.

The Whites, Clairdges (Brent and Tania), Wynie (Mark) and Brownly (Darren) and our other club members who got along, especially staying till 6pm on our Sunday match at Latrobe.

My mum Luana came along to pretty much every game, also Meg Charles and my wife Claire who also came to support the A Grade throughout the year.

I want to also thank Claire for allowing me to step into the presidency role this year. It's been a big workload with the presidency and assistant coaching duties so thanks for being so understanding throughout this season and now after coming to a few games she acknowledges that we do actually finish at 6pm most weeks and I haven't just been making it up for the last eight years.

The club used 34 players through our three senior 11s with a number of new and returning faces. Overall we had 70 players go through the senior grades with 25 players playing 10 or more games which from where we came from a few years ago is a great effort and testament to the culture that we are building around the club that we are seeing more people play for longer and new people join the club and stay.

Thanks to the efforts by my fellow senior leadership group members Jackson Noonan as senior coach and Rhys Holdsworth as A Grade captain. Our planning for 2020/21 was tougher than ever due to COVID and the ability to get training running and get the players on the park.

It was a huge effort to get us started when we did in late July and then to manage to field senior sides each week.

## PRESIDENTS REPORT

There was a few weeks where Noons and I sat at the selection board and by 8:30pm we were still looking at each other working out how we would get a B Grade up. Then other weeks we had to tell people that they weren't selected as we had too many to choose from. It is not an easy job coaching and managing three senior grades each week so thanks for their efforts this season

Off the field the club is in a strong position and is continually looking to grow. We have new facilities to look forward to (on the far horizon) and are continuing to push to get the cricket oval up and running. We have a strong and active committee and I thank them all for their efforts during the season. Our committee consisted of Mel White, Liam Durkin, Craig White, Scott Moorhouse, Brent Claridge, Zack Brown, Bill Pace, Rhys Holdsworth, Liam White, Mark Wynne, Paul Connolly and Christian Burgess. While everyone on here does so much for the club I wanted to make a few special mentions.

Special mention to the work that Durks does around the club. Often now people don't even realise how much he does as he doesn't seek any plaudits. On top of his usual things he has completely updated our website and continues to manage our records and history. You couldn't ask for more in a secretary and no job I ask him to do is too big or too small.

The same can be said about Mel White who seems to have a hand in everything the club does and has been amazing in her efforts in the sponsorship, juniors, and her role with the recreation reserve committee, grants and then also being the treasurer. Not to mention the work she has done getting Thursday night meals started.

Mel does more work than anyone around the club through a variety of roles and has certainly been a huge asset not just this year but over her time on the committee. She has managed to ensure that our juniors run smoothly in conjunction with Bill Pace and her efforts on the rec committee and sponsorship have been amazing. Mel has also driven the implementation of weekly meals after training which has been great for our culture. I want to thank her and Tania Claridge also for their efforts in continually delivering this program for the players and members.

At the end of last season Craig signalled his intention to step down from the presidency and it was great that he was able to stay on as vice president for this season to help with the transition. Whitey does a mountain of work with the ground and clubrooms and his efforts are much appreciated by all at the club.

## **PRESIDENTS REPORT**

The season officially closed on April 30 where we will be having a few changes on the committee moving into next season. Both Mel and Craig White have indicated that they won't be seeking re-election to their roles. On behalf of myself and the club we want to thank them for their contribution especially over the past few years to help rebuild the club off the field. Mel has indicated that they won't be strangers and will still be around with the four kids still actively involved playing which is great for the club.

Thanks to everyone for making the effort to play, support and volunteer at the club. We have a great club and we are going further and further in the right direction and I hope we continue to take the opportunity to stop and enjoy the achievements after a long season.

**Daniel Heathcote,  
TCC President 2020-21**

## TREASURERS REPORT

A VERY unusual beginning to the season as the world was dealing with the COVID-19 pandemic. We were very unsure as to whether we would even be able to play cricket. This made planning somewhat difficult at times - how do we work out membership fees when we don't know how many games will be played? Or how do we ask businesses for sponsorship when we were not certain we would have a season? As many businesses experienced trading difficulties because of the pandemic, how do we ask them for their support?

However, we were lucky - cricketers got to play most of the season and again we were well supported by many local businesses - new and previous sponsors. So, we are grateful to be in the position we are in at the end of the season.

We planned to make a loss for season 2020/21. The committee wanted membership to be affordable for all and not be a reason for a cricketer to be unable to play. We had to factor in the expense of installing a CCTV system due to the many break-ins we had. With social distancing, we had to allow for no social activities which reduced revenue generated from drink and food sales.

Fortunately, from a predicted loss of \$2370.50 we were able to turn this around and make a profit of \$8206.41. This is due to the generosity of our community and our cricketing members. Social gathering restrictions did ease, and this helped us meet the profit budget on drink and food sales. We were again, so wonderfully supported by our sponsors and this exceeded our expectations. In terms of expenses, our savings were due to those who donated their time to coach or play cricket at Trafalgar. It was a real blessing, and we are thankful for their commitment and contribution to our club.

Our sponsors for Season 2020/21 were:

B&K Holdsworth Concreting  
R.J Low Pty Ltd

## TREASURERS REPORT

An initiative that we continued again this season was our monthly member's draw with prizes donated from S&S Equipment Hire, Aussie Disposals Traralgon, Moe Racing Club, Sport 2 Street as well as Kencor Sales Morwell.

Juniors are the future of our club and I would also like to acknowledge the following sponsors of junior cricket. Their support of the junior cricket program at the club is greatly appreciated by the club and the players who received awards during the season. Although, due to COVID restrictions, we were unable to run our game day barbecue as much as we have previously, I would like to thank Norm Oliver Butchers Mid Valley for their continued support for the times we could. Thank you to S&S Equipment Hire and CM and MF White Builders for their contribution to the weekly lucky shirt draw.

Thank you to Gracie's Bakery, Fish Bits, BK Takeaway, Alberto's Pizza and Sport 2 Street for their contribution of weekly awards.

This season Trafalgar Cricket Club received the following grants:

- Department of Jobs, Precincts & Regions - community sports survival program;
- Cricket Australia Grassroot Cricket Funding - for COVID management and equipment, and;
- Sports Victoria - Sporting Club grants for match day balls.

I would like to thank my fellow committee members for their contribution for the season. It was a challenging season with meetings held via ZOOM, keeping up to date with the ever changing rules and restrictions of COVID-19 but we all worked hard as a team and we tried our best to ensure the success and future of the Trafalgar Cricket Club.

With another successful year added it means Trafalgar Cricket Club is in a solid financial position for season 2021/22.

## SEASON 2020-21 SENIOR SUMMARY

### Players

**Ins:** Antony Devassy (Trafalgar Newsagency), Matt Hogg (new player), Lucas Kilday (Yarragon), Ramesh Nadarajah (Kingsley's mate), Steve Asmussen (junior parent), Kevin Hennessy (junior parent).

**Returning:** Brendan Dawson, Anthony Faltum.

**Outs:** Jack Hart (Yallourn North), Kaleb Chapman (Yallourn North), Josh Cope (Rosedale-Kilmany), Josh Giles (Morwell).

*NB: Blair Clymo played some days for Trafalgar before the Victorian Premier Cricket season recommenced in late November. Leo Connolly played some days while permitted by St Kilda Football Club. Jarryd Kilday played for Yarragon in the five week 'COVID Cup' competition at the start of the season before being cleared back to Trafalgar. Todd Mann played one day for Trafalgar in the last round before Christmas due to no game in the Sale-Maffra Cricket Association. Royce Colgrave was cleared to Trafalgar from Yallourn North but left to go to Latrobe before the season commenced.*

### Premier A Grade

Showed promising glimpses throughout the season, with a number of strong wins in the one-day matches before Christmas. Post-Christmas however the team struggled to adapt to the two day format, with periods of dominance in matches undone in a matter of six to 10 overs. The travel factor certainly reflected in the performances toward the end of the season, as by the end it was clear players were waning due to the week-to-week grind of playing away from home. Ultimately, by not winning a two-day match highlighted a number of deficiencies and led to A Grade deservedly being relegated.

### B Grade

Put together some good performances, highlighted by wins over the two eventual grand finalists. A number of close losses in the first half of the season proved costly, while the chopping and changing of the team from week-to-week meant there was limited continuity and players unable to bat or bowl in set positions.

### Premier C Grade

Had a competitive season that saw the team make finals after finishing fourth. C Grade won as many home-and-away games as it lost, which was ultimately self-evident of where the team was at for most of the season, as it hovered in the middle section of the ladder pretty much the whole way through.
